ad
concl.

22. The method of claim 20 wherein members of the public are allowed to engage as players in said computer game at said user stations after having an identification accepted, validated, and debited in an amount corresponding to a fee charged for engaging in said computer game.

Remarks

The above minor amendments are being filed to more clearly define the present invention. It is respectfully submitted that no new matter is being introduced by way of these amendments and that the amended claims are supported by the disclosure as originally filed.

Respectfully submitted,
